About MPF

Midwest Poultry Federation's (MPF) primary purpose is to host an annual regional convention emphasizing on-farm poultry production. The convention's goal is to offer innovative and compelling information to attendees through a balanced offering of exhibits and educational workshops.

MPF's mission is to conduct and support those educational, promotional and policy advocacy issues that will enhance the viability and growth of the poultry industry. Revenue generated by the convention goes back to MPF's members and to supporting various poultry programs.
