

About Midwest Poultry Federation

The Midwest Poultry Federation (MPF) was formed in 1971 and held its first convention in Minneapolis in 1972. The event was relocated to Saint Paul in 1998 and has been held there ever since.

Midwest Poultry Federation's primary purpose is to host an annual regional convention emphasizing on-farm poultry production. The convention's goal is to offer innovative and compelling information to attendees through a balanced offering of exhibits and educational workshops.

MPF's Mission

To conduct and support those educational, promotional and policy advocacy issues that will enhance the viability and growth of the poultry industry in the Midwest.

Revenue generated by the convention goes back to MPF's members and to supporting various poultry programs.
