North Central Avian Disease Conference is Back for 11th Year

(Buffalo, MN) ... For the 11th straight year, the 66th annual North Central Avian Disease Conference (NCADC) will precede the Midwest Poultry Federation (MPF) Convention on March 16-17, 2015, at the Saint Paul RiverCentre, St. Paul, MN.

There is a separate registration fee to attend this event. NCADC attendees may register through MPF, either online or using a pre-registration form via fax/mail.

"We're proud of our long-running partnership with NCADC, which always offers an excellent program of speakers and topics. This partnership allows our attendees additional educational and networking opportunities, conveniently located in the same facility as the MPF Convention," said MPF President Kim Reis of the Iowa Turkey Federation.

Schedule:

Monday, March 16

Scientific presentations and management symposium (morning & afternoon)

- *What does a new genotype of an old pathogen mean?*

Business Meeting (late afternoon) and Awards Banquet (6:00-8:00 p.m.)

Tuesday, March 17

Management symposium continues (morning)

- *What does a new genotype of an old pathogen mean?*

NCADC & MPF Joint Symposium on Nutrition and Health (begins at 1:30 p.m.)

- *GM Feeds and Animal Health: What Do the Data Say?*
Dr. Alison Van Eenennaam, University of California, Davis, CA
- *In vivo digestion of Genetically Modified Proteins in the Chicken and Fate of Such Proteins*
Dr. Sheila Purdum, University of Nebraska, Lincoln, NE
- *Recent Advances on Microbial and Enzymatic Deactivation of Mycotoxins*
Raj Murugesan, DVM, MBA, Ph.D., BIOMIN America Inc., San Antonio, TX
- *Feed Particle Size and Poultry Performance*
Dr. Adam Fahrenholz, North Carolina State University, Raleigh, NC
