The show continued its expansion into two exhibit halls with 393 booths (226 exhibiting companies) as well as educational workshops with over 40 speakers from across the world.

This steady increase in exhibitors and booth space over the past 5 years has merited the distinction for MPF as one of the “50 Fastest Growing Trade Shows” in the U.S. by Trade Show Magazine. This award will be presented at a special ceremony in May in Chicago.

The 43rd annual Midwest Poultry Federation (MPF) Convention will be held March 18-20, 2014 at Saint Paul RiverCentre in Saint Paul, Minn. The show will feature a Pre-Show Nutrition Symposium and Welcome Reception on March 18 and exhibits and educational sessions on March 19-20.

As a nonprofit organization, all of MPF’s revenue generated (after expenses are paid) from the convention goes back to its member organizations and to support poultry programs.
