About MPF:

The Midwest Poultry Federation's primary purpose is to host an annual regional convention emphasizing on-farm poultry production. The convention's goal is to offer cutting-edge information to attendees through a balanced offering of exhibits and educational workshops.

MPF was formed in 1971 and held its first convention in Minneapolis in 1972. The MPF's membership consists of 12 state poultry organizations, representing 8 states. As a nonprofit organization, all of MPF's revenue generated from the convention goes back to its member organizations and to support poultry programs. www.midwestpoultry.com
