MPF Convention Honors Long-Time Exhibitors for Their Commitment

(Buffalo, MN) ... A total of 28 exhibiting companies were honored last week for their long-time commitment to the Midwest Poultry Federation (MPF) Convention in Minneapolis held on March 22-24.

“Midwest Poultry Federation is incredibly grateful for the long-time support of our exhibitors – these companies are truly the backbone of our show,” said MPF President Ross Thoreson of Best Veterinary Solutions, who is an allied representative on the MPF Board. “Year in and year out, our attendees are treated to an excellent trade show experience because of the high caliber of our exhibitors.”

The companies that have exhibited 5, 10, 15, 20, 25, 30, 40, 45 and 50 **consecutive** years at MPF are featured on the next page of this release.

The MPF Convention welcomed attendees and exhibitors back in-person to the Minneapolis Convention Center after a three-year hiatus caused by the COVID-19 pandemic. The event featured 280 companies in the exhibit hall, a variety of education sessions and networking opportunities, and total registration at nearly 2,300.

The 52nd annual Midwest Poultry Federation (MPF) Convention will be held April 11-13, 2023 at the Minneapolis Convention Center in Minneapolis, MN. Further details on the 2023 show will be available this summer. For more information, visit MPF’s Web site, www.midwestpoultry.com. You will also find MPF on Facebook (www.facebook.com/MPFConvention) and on Twitter - @MPFConvention.

About MPF:

The Midwest Poultry Federation’s primary purpose is to host an annual regional convention emphasizing on-farm poultry production. The convention’s goal is to offer cutting-edge information to attendees through a balanced offering of exhibits and educational workshops.

MPF was formed in 1971 and held its first convention in Minneapolis in 1972. The MPF’s membership consists of state poultry organizations, representing eight states. Net revenue generated by the MPF Convention is donated to various poultry organizations for research and educational activities as well as back to MPF’s member poultry organizations.
